FACTS

That on or about March 1, 2020, the DEFENDANT, CARRASCO-Soto, Miguel Angel, a native and citizen of Mexico, entered the United States at the Union Pacific Railyard in El Paso, Texas by eluding inspection through the train bridge.

Border Patrol Agent Mowry assisted with apprehending the DEFENDANT and turned him over to Customs and Border Protection Officers Boyle and Ramirez. The DEFENDANT stated he was born in Durango, Mexico, did not have legal documents to enter the United States and he was traveling to Sacramento, CA to look for employment. The DEFENDANT was transported to the Paso Del Norte Port of Entry Passport Control Secondary (PCS) for further processing.

In PCS, CBP Officer Mora served the DEFENDANT Form I-214 Warning as to Rights in Spanish, which he read, understood, signed and agreed to give a sworn statement without the benefit of counsel.

In a sworn statement the DEFENDANT stated he knew it is against the law to enter the United States without being inspected and that he paid \$2,000 dollars to an unknown subject in Ciudad Juarez to instruct him on how to enter the United States at the Railyard. The DEFENDANT also stated the unknown subject would contact him by phone and make travel arrangements to California for an additional \$2,000 dollars once the DEFENDANT made it into the United States.

The DEFENDANT's fingerprints were digitally scanned and database records revealed the DEFENDANT was previously removed from the U.S. on or about August 2, 2019. Further immigration records indicate the DEFENDANT has not applied for, nor received permission from the U.S. Attorney General or the Secretary of Homeland Security to reapply for admission into the United States.

Because this Affidavit is being submitted for the limited purpose of establishing probable cause as set forth herein, I have not included each and every fact known to me concerning this investigation.
